where there was an unapent balance. This may be approved.

Bills aggregating to Rs.843-1-0 have been received from several Bench Courts and pending payment as per particulars shown in statement No.II.

Particulars of expenditure on account of contingent charges and purchase of furniture etc, have not yet been received from the marginally noted Amildars.

I have also to state here that the Magistrates having applied for the supply of seals to their courts which was an absolutely necessary item, they were supplied at an aggregate cost of Rs.56/- or at Rs.4/- each. No provision had been made for this item in the Government Order. Consequently funds for this purpose have also been applied for.

Including the approximate expenditure in respect of the Courts from which bills have not yet been received, the total cost under contingencies and purchase of furniture would amount nearly to Rs.1900/-.

Under these circumstances, I request that a sum of Rs.2000/- may be arranged to be placed at my disposal at a very early date.
